

Deck of Cards

Number of players – 1-10

Materials: 1 deck of cards Timer Flat surface

Directions:

1. Split the deck of cards evenly between players.
2. Set the timer for 5 to 20 minutes (shorter times for older players).
3. Build the tallest structure, using only the cards and the time frame given.
4. Measure its height.
5. Try to build higher!
