

SELFIE ART

Materials:

Camera
Plain paper

Selfie

Glue

Art Pencil

Colored Pencils

Directions:

1. Take a full front close-up picture of yourself or someone else.
2. Print it out. (Make it smaller or larger if needed to fit on paper.)
3. Cut the face out.
4. Fold the face in half, vertically.
5. Cut on the fold line. Set 2 halves aside.
6. Fold plain paper in half.
7. Take one half of your selfie and glue it down on the same side of the plain paper. (Ex. If you are using the **left** side of the face, then you will glue it down on the left side of the paper.)
8. Using the art pencil, draw the other side of your selfie:
 - a. As you see yourself in 5 or 10 years
 - b. As an animal
 - c. With long or short hair
 - d. Other (be creative)
9. Color using the color pencils.
10. Title your artwork and sign it.
